The tasks of the Rector's Ethics Committee include:

- 1) examining reported problems related to the violation of the rules and standards of work in force at the Warsaw Film School;
- 2) resolving complaints and issues related to the unethical behaviour of lecturers, employees and students of the Warsaw Film School;
- 3) providing opinions, explanations and interpretations in matters related to complaints and signals regarding unethical behaviour: social exclusion, mobbing, discrimination on grounds of sex, social origin, religion, nationality and violation of personal dignity;
- 4) determining indications of mobbing;
- 5) counteracting unethical actions and violations, preventing situations where self-interest may have priority over the public good;
- 6) introducing intervention measures consisting in condemning bad practices and supporting victims of any kind of violence;
- 7) developing concepts (solutions) regarding the awareness of one's own rights and their observance (ongoing modification as required in relation to the regulations of the Warsaw Film School).
